Media Powerhouse

---

MEDIA POWERHOUSE DESIGNS AND INSTALLS INTEGRATED AUDIO VISUAL SOLUTIONS IN ORGANISATIONS FOR WHOM COMMUNICATION IS VITAL. OUR PASSION TO CREATE AMAZING SPACES USING THE LATEST IN AV AND BROADCAST TECHNOLOGY MEANS THAT YOU CAN COMMUNICATE YOUR MESSAGE EFFECTIVELY AND CONNECT WITH YOUR AUDIENCE WHEREVER THEY ARE.

Our systems integration department is one of the few providers of a truly comprehensive and integrated installation service. We pride ourselves on understanding our clients business needs and long term requirements. People and expertise are our strength, using our knowledge and comprehensive resources, our teams deliver concise and innovative solutions time after time.

Our installation services span all sectors including corporate, hospitality, entertainment and education and cover all disciplines including audio, video, control systems, rigging, lighting and bespoke furniture. Our proactive project management style means challenges are identified and solved well in advance of them becoming a problem. We couple this with comprehensive post completion support to relax our clients and ensure a trouble free project journey.
